Attention: Examiner Jermaine L. Jenkins

Sir:

This is in response to the Notice of Abandonment mailed August 7, 2003.

Applicant hereby petitions the Commissioner to withdraw the holding of abandonment in the above-titled application because the Notice of Allowance and Issue Fee Due was not received. In a telephone call to Mr. Briscoe of the Office of Publications, the undersigned determined that the mailing date of the Notice of Allowance and Issue Fee Due was April 7, 2003. Accordingly, the Issue Fee was due on July 7, 2003.

The undersigned attorney states and attests that he has searched the file jacket of the application and has found no copy of the Notice or any indication that the Notice was received. In addition, the docket records were also searched and no entry has been found where it would have been entered had the Notice been received. Entries are made, as a matter of office routine, upon receipt of mail.

The office for the undersigned keeps an electronically managed docket. A copy of the print out for the first week of July is attached. Note that the single entry for the

application (identified by its docket number P50-0074) for July 6, requests foreign filing recommendations.

The undersigned's office keeps an additional docket for Issue Fee payments. A copy of the sheet for the relevant period is attached, and also shows there is no entry for the above-identified application where it would have been made, had the Notice been received.

In view of the above, the Commissioner is requested to withdraw the holding of abandonment and re-mail the Notice of Allowance and Issue Fee Due, restarting the response period.

The Office is invited to telephone the undersigned if there are any questions or to resolve any outstanding issues.

Respectfully submitted,

Martin Farrell
